## JULY 4TH – CELEBRATING INDEPENDENCE DAY

In 1776 when the Declaration of Independence was signed, a staged party was planned to celebrate the birth of America and the separation from England.

Colonists, families and towns continued to celebrate the anniversary of this freedom yearly on July 4 with large crowds and festivities.

Today, we celebrate our free nation with parades, feasts, festivals, fireworks and family cookouts, but there is more to celebrate than our country's

birthday. Our Independence Day celebrations:

- Symbolize the right to live with the freedoms of religion, without persecution and with the ability to think and do for yourself.
- Remind us that it takes courage to protect freedom and often courage is needed in the toughest times.
- Provide a day to reflect on and recognize our nation's multi-cultural heritage, history, and unity of people.

# Happy Birthday!

## Give Something Away Day

On July 15, Give Something Away Day provides a special opportunity to give back, connect with their community, and experience the joy of generosity. This day can serve as a wonderful reminder to share your time, talents, and resources with others. Whether it is donating cherished possessions, offering assistance, or simply lending a listening ear, seniors have a wealth of wisdom and experiences to share, making Give Something Away Day an ideal time to engage intergenerational activities. Collaborative initiatives like crafting handmade gifts for others, preparing care packages for those in need, or participating in community service projects with children are great ways to create lasting memories while simultaneously passing down important values to future generations.
